Skills

- Designing   Web/App interface

About Me

I'm Olitha Samaraweera, a passionate software engineering student at the University of Westminster. Currently pursuing my degree in Software Engineering, I am deeply interested in the dynamic fields of software development and web development. My academic journey has equipped me with a solid foundation in both front-end and back-end development, allowing me to create robust and visually appealing web applications.

With a keen eye for detail and a dedication to continuous learning, I strive to stay updated with the latest industry trends and technologies. My projects reflect my commitment to delivering high-quality, user-friendly solutions that meet client needs and exceed expectations.
